

TREBAG

XPLOIT

Nagykovácsi - Hungary

Nagykovacsi

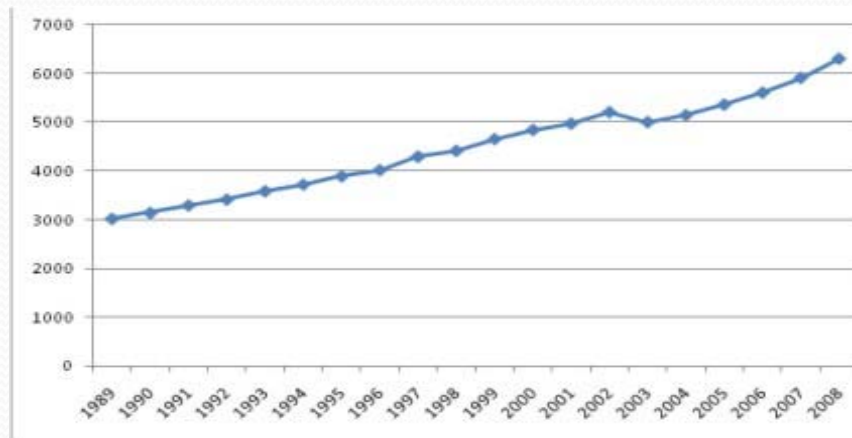

Location: situated not far from the capital, Budapest

Surrounded: by beautiful hills and woods

Inhabitants: about 8000 registered plus about 2000

People living in large families: cca 800, more than 10%

Elderly communities, children, local initiatives

Special features:location

Sattelite settlement

- Working elsewhere
- Spending money elsewhere
- Taking kids to learn elsewhere

- Whilst the eagerness is there to live, work and study within the community

Size

- Relatively small market
- Not competitive in many ways with the nearby capital
- BUT: personal contacts really count
- Impacts can be larger
- Cooperations can be stronger

European resources

- Experiences
- Getting involved step by step
- Realizing the potentials

Xploit visits: decision-makers, stakeholders. Community centre, schools, kindergarten, youth association etc...

Innovation lodge and wellbeing Living Lab

- Encouraging involvement and cooperation
- Place of implementation
- Mini-incubator
- Motor of new initiatives
- Meeting place

Incubator house

- Slovakian- Hungarian cooperation
- Focus on agricultural entrepreneurship
- Making placement
